

**WEDNESDAY  
JUNE 6, 2018  
4-7PM**

# Tiny House OPEN HOUSE

Please join us to celebrate the completion of this year's build project with the Building Construction & Plumbing & Heating Classes at the Huot Technical Center. Take a tour of the 192+ Square Foot Tiny House, Meet the students who built the home and recognize the many businesses partners that helped with donations, mentoring & volunteering of their time to make the project possible.

**Celebration  
Refreshments  
Open To The Public**
